A *Carrickcraft* speciality, a one-way hire allows you the time to see much more of the river than would otherwise be possible. Start from any Marina and finish at any other. Ideal option for air-travellers as we can collect you from the airport, take you to one marina, you cruise to a different marina, and we take you back to the airport! You will be advised of the direction of your one-way about 2 weeks before you arrive. Please note that this charge does not include the cost of moving you, or your car, back to the marina from which you started.
